# WHAT'S HAPPENING

A newsletter for the Maine Medical Center family

## Slime Time: Things Get Messy As BBCH Hosts Camp Week!

The Barbara Bush Children's Hospital (BBCH) hosted its third annual Camp Week Aug. 5-9.

Patients and families were able to participate in fun crafts, relay race competitions and make-your-own trail mix. They also voted on which two care team members would get slimed Thursday afternoon (sorry Angalee Reali, RN, and Matt Williams, CNA)!

**A big BBCH thank you** to everyone who made this week of fun possible: Allagash Brewery, Laugh Loud Smile Big Cupcakes, Saco & Biddeford Savings Institution, The Press Hotel & UNION Restaurant, Slugger The Sea Dog, Circus Smirkus, Rosemont Market and Bakery, Caravan Beads and Miss New Hampshire!

# PEOPLE NEWS

**Jason Moran, MD**, has recently joined Maine Medical Partners – Medical Oncology as a new medical hematologist/oncologist. He specializes in hematologic diseases, including benign disorders of hemostasis/thrombosis and benign blood cell disorders. He also cares for patients with blood cancers.

He completed his fellowship in hematology and oncology at Beth Israel Deaconess Medical Center (BIDMC) in Boston, where he served as chief medical resident and chief fellow, and served as an instructor at Harvard Medical School.

He also completed a transitional year of residency training at Massachusetts General Hospital in anatomic and clinical pathology before focusing on internal

medicine and hematology-oncology at BIDMC.

Dr. Moran graduated valedictorian at Georgetown University School of Medicine in Washington, D.C., where he earned his medical degree.

**Benjamina Razsa, MD**, has joined Maine Medical Partners – Hospital Medicine. Dr. Razsa is Board certified in internal medicine and received her medical degree from University of Ljubljana Medical School in Slovenia. She completed her residency here at Maine Medical Center. Dr. Razsa's clinical interests include general internal medicine.

When not working, she enjoys hiking, running, camping and skiing.

**Raymond Klein, MD**, has joined Maine Medical Partners – Hospital Medicine. Dr. Klein received his medical degree from University of Wisconsin School of Medicine and Public Health. He completed his residency at Dartmouth-Hitchcock Medical Center where he was chief resident. During his chief year, Dr. Klein was an instructor at the Geisel School of Medicine and worked as a hospitalist physician at Dartmouth-Hitchcock and the affiliated VA Medical Center.

His professional interests include hospital medicine, medical education and quality improvement. When not working Dr. Klein is an outdoor enthusiast and enjoys skiing, tennis and hiking, as well as watching professional and college sports.

**Amy Buczkowski, MD**, has recently joined Maine Medical Partners - Pediatric Hospital Medicine. After earning her bachelor of science degree in biomedical engineering from North Carolina State University, she went on to earn her medical degree at the University of North Carolina. She then completed her residency in pediatrics at Maine Medical Center, which included an additional year acting as chief resident.

Her clinical interests include pediatric hospital medicine, newborn care, quality improvement and medical education.

Outside of the hospital, she enjoys cooking and spending time outdoors with her family.
