## Take the WAY 2 GO Maine Challenge For a Green Commute

GO MAINE is holding the third Way 2 GO MAINE

employer challenge this October. The event is a way to encourage and reward Mainers to use green alternative commutes like car-pooling, transit, walking or cycling.

MMC care team members participated in 2018 and recorded the most green

trips in the state.

Participants are eligible for prize drawings from GO MAINE and our Commuter Choice Program.

More importantly, the winning organization will have a donation given in their name to the Maine Cancer

Foundation's transportation programs, helping improve access to care for some of Maine's most vulnerable patients.

Sign up at: [www.GOMAINE.org](http://www.GOMAINE.org) or for more information, contact: [CommuterChoice@mmc.org](mailto:CommuterChoice@mmc.org).
