

WHAT'S HAPPENING

A newsletter for the Maine Medical Center family

The Maddie Kate Fund Honors Life, Visits MMC Nurses

The family of Maddie Kate Smart visits with Gibson Pavilion nurses on what would have been Maddie's 22nd birthday.

Maddie Kate Smart's family celebrated what would have been her 22nd birthday by treating Maddie's MMC care team to birthday cake on Monday, Nov. 25.

Maddie was diagnosed with acute myeloid leukemia at the age of 20. She lived life to the fullest for just over a year through her love of life, a caring medical team and strong family and friends.

Through their organization The Maddie Kate Fund, the Smart family has raised over \$11,000 in Maddie's name to support nurses at MMC. To learn more about The Maddie Kate Fund, to make a gift to support MMC nurses or to share your own story please visit mmc.org/maddiekatefund or contact Maine Medical Center's Oncology Philanthropy Liaison, Eliza Warren Giberson at egiberson@mmc.org.

MaineHealth United Way Campaign Raises \$386,000

Colleagues enjoy coffee for a cause during the MaineHealth United Way giving campaign's Riverfront Coffee event. The campaign concluded in October, raising \$386,000 for United Way of Greater Portland. The total donation exceeds the 2019 goal of \$350,000.

Thank you to all who contributed this year through pledges, event participation, PTO time and more.
