## 2019 JMMC Peer Reviewers

The editorial team of the *Journal of Maine Medical Center* sincerely wishes to thank the many reviewers who have helped complete the important peer review process in 2019. These volunteer reviewers have helped improve the quality of *JMMC* manuscripts, and provided helpful feedback to authors, several of whom are our trainees. A high-quality journal cannot succeed without the dedication and effort of these reviewers. Thank you again for helping launch *JMMC*!
