Moments to Shine Show Colleagues' Appreciation for Each Other

Carrie Jones received recognition from **Julia Koger** for **Excellence**

Carrie, just wanted to pass on how impressed I always am with your work ethic, kindness and care. You are one of the best co-workers I could have the pleasure to work with. Thanks so much for all you do!

Crystal Hartley received recognition from **Pamela Pinto** for **Patient Centered**

You go above and beyond with your patients with your understanding and patience. You listen to them and make them feel relaxed while they're at the office. You certainly shine. WAY TO GO CRYSTAL !!!

Edith Quint received recognition from **Erin Gagne** for **Respect**

I can't help but notice your compassion toward both staff and patients on a daily basis. It's people like you that truly make a difference. Thank you.

Samantha Doe received recognition from **Malia Haddock** for **Ownership**

Thank you for executing a daylong cleaning event at the PSLC! The space is organized, orderly and sparkling! A clean office is important for providers and patients alike, so thank you for all you do to make our environment conducive to health and healing. We even have a free library for patient use now - thank you!

Have a Happy and Safe New Year!
