Gingerbread Houses Bring Holiday Joy to Children at BBCH

Thank you to our friends from Culinary Arts, Baking and Pastry at Southern Maine Community College!

PEOPLE NEWS

Sarah Ketchum, MD, comes to Maine Medical Partners – Medical Oncology after working at Mercy Hospital in Portland and Dartmouth-Hitchcock Medical Center in Lebanon, NH, where she was a fellow and an instructor in medicine in the Department of

Hematology/Oncology.

She earned her medical degree from Stritch School of Medicine at Loyola University Chicago. She was a resident in the Department of Internal Medicine at Loyola from 2001 to 2004. Dr. Ketchum was a Merit Award Recipient from the American Society of Clinical Oncology in 2006.

She is Board certified in internal medicine as well as hematology and oncology.

Roger Inhorn, MD, PhD, has recently joined Maine Medical Partners – Medical Oncology. He was the Medical Director of the Oncology/Hematology Center at Mercy Hospital from 2004 to 2018. He earned his MD and PhD degrees at Washington University Medical School in St. Louis. He did an internal medicine residency at Brigham and Women's Hospital, then

completed a fellowship in medical oncology at the Dana-Farber Cancer Institute.

Dr. Inhorn has a particular interest in the treatment of patients with breast cancer and gastrointestinal malignancies. He is Board certified in medical oncology and internal medicine.

Bonnie Sendzicki, DO, of Hospital Osteopathic Manipulative was newly appointed to the Maine Medical Center Medical Staff. Dr. Sendzicki received her medical degree from The University of New England College of Osteopathic Medicine and will provide osteopathic Manipulative Medicine care.
