Costas T. Lambrew Research Retreat at Maine Medical Center - Abstracts from 2020

The Costas T. Lambrew Research Retreat is an annual gathering celebrating the accomplishments of a diverse group of students, trainees, faculty, scientists, statisticians and others from a wide range of disciplines including Medicine, Nursing, Nutrition, Social Work, Public Health, Education and many others. This year, researchers from across MaineHealth, the University of Southern Maine, the University of New England, and several other institutions submitted abstracts describing their work in basic/translational, clinical/population health, quality improvement, and health professions education categories. The abstracts below were chosen as winners in their respective categories, with selections from both trainees and faculty for each. We are pleased to present this work and are grateful to have had the opportunity to come together virtually on May 6 as a community to foster collaboration and nurture our scholarly environment.

Robert S. Hillman, MD, MACP Clinical Research Fellowship

Announcing 2020-2021 Recipient...

Abdimajid “Majid” Mohamed

Maine Track Class of 2022 | Portland, ME

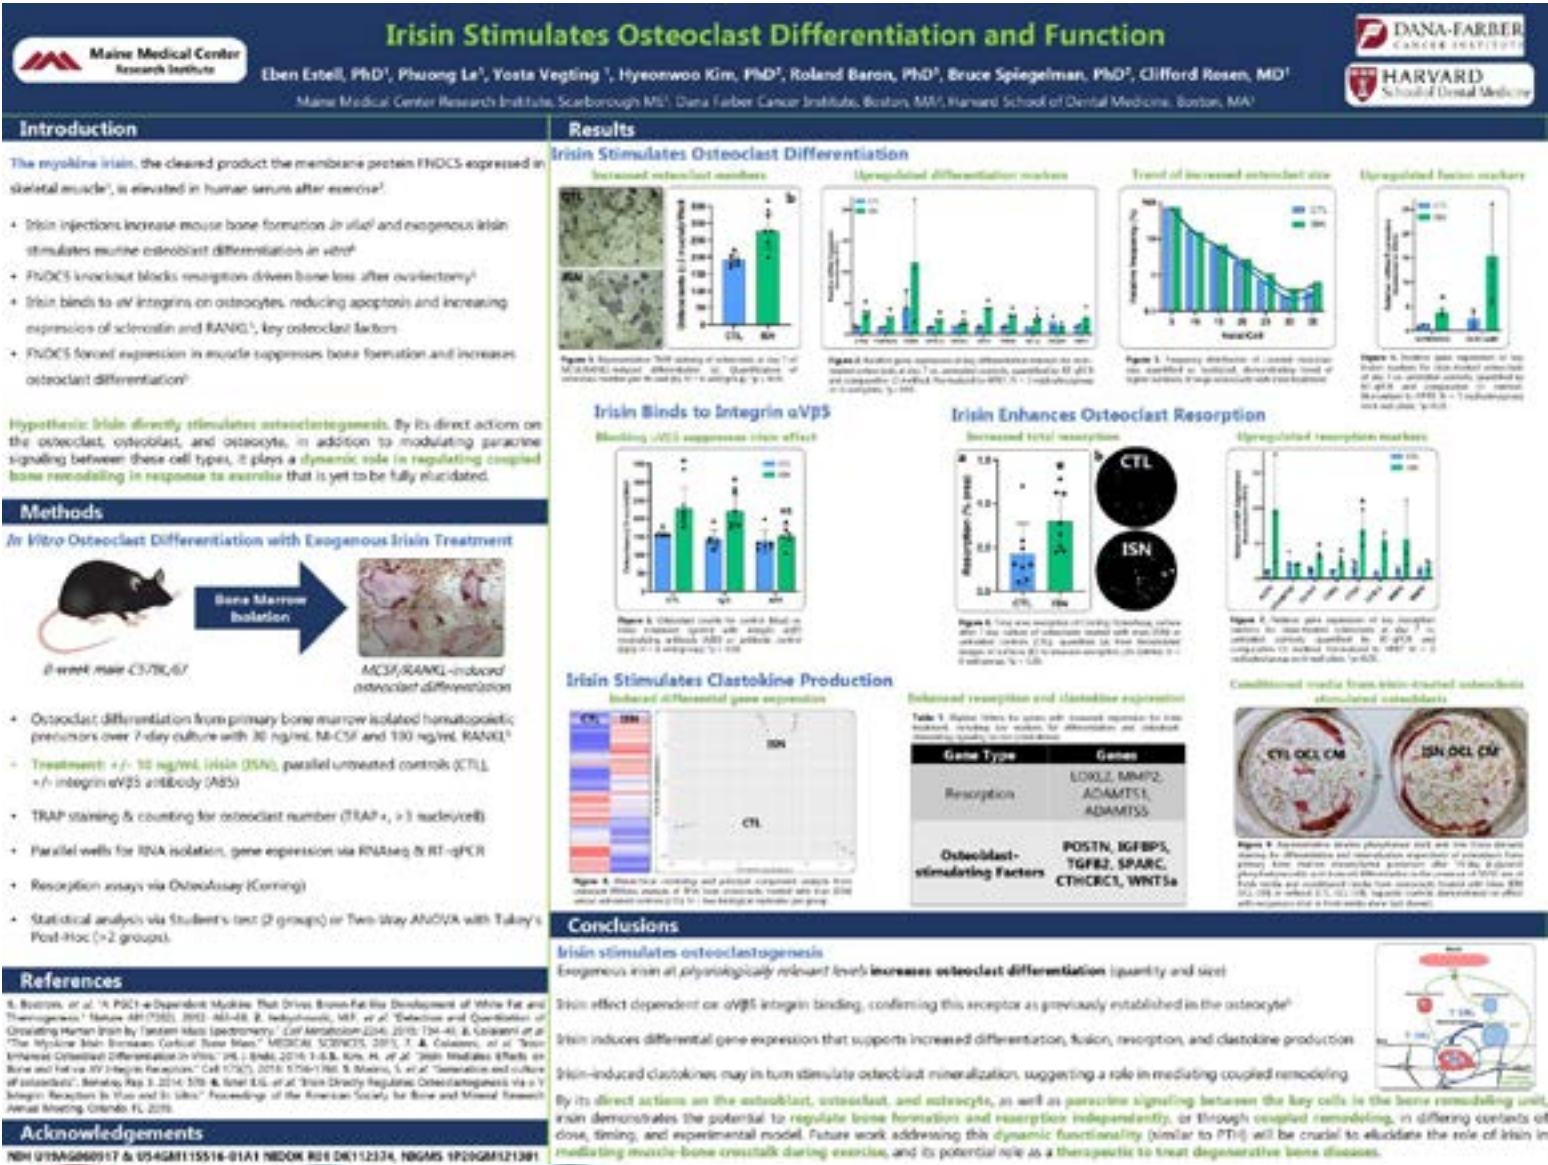

Congratulations to Majid Mohamed for being selected as the inaugural Robert S. Hillman Clinical Research Fellow! Majid’s research project will examine frailty as an assessment tool of plausible adverse outcomes in the elderly surgical patient. This research aims to decrease post-surgical complications in elderly patients and the associated financial burden of hospitals, as well as improve mortality rates in complex upper GI surgery.

Thomas Maciag Award for Excellence in Basic & Translational Science

Trainee 1st Place Award - Scientific Talk

Eben Estell, PhD, Research Fellow, Clifford J. Rosen Lab, Maine Medical Center Research Institute, for: *The myokine irisin stimulates osteoclast differentiation and function*

The screenshot shows a video player interface. The main content area displays the title "Improving Vitamin D Management in an Adult Cystic Fibrosis Program" in a large, dark red serif font. Below the title, the presenters are listed: Stefanie DiLoreto, PharmD; Alicia Murry, RN; Tegan Swift, RD; and Lauren Tate, RD. The date "May 6th, 2020" is shown at the bottom right of the content area. On the left side of the content area, the Maine Medical Center logo is visible. Below the title, there are three award badges: "BEST", "LISNOR", and "HAGNET". The video player controls at the bottom show a progress bar at 0:00 / 6:57, along with standard playback controls and a taskbar with various application icons.
