A message from Marge Schmitt and Marilyn Flanders, OUR Place Employee Giving co-chairs:

The first week of the annual OUR Place Employee Giving Program showed a tremendous amount of support from employees making donations to Maine Medical Center. We want to say thank you to our colleagues whose participation in OUR Place is an extension of the dedicated work they perform every day. There are three weeks left, and participating in the OUR Place program is easy. You can make a one-time donation with cash, credit card or through payroll deduction; donate PTO hours or participate in biweekly payroll deduction. You can donate online or fill out a pledge form and send it to the Philanthropy Department. We also invite you to visit us in the MMC Main Lobby Monday - Friday, Noon - 1 p.m., through June 8, to make a donation in person.

As a token of appreciation for gifts made to the Employee Giving Program, every donor will receive an OUR Place T-shirt or an OUR Place tote bag. We hope you proudly wear your T-shirts on Fridays between May 14 and June 8!

### People News

**Forest R. Sheppard, MD,** has joined Maine Medical Partners - Acute Care Surgery. He is Board certified in Surgery and the subspecialty of Surgical Critical Care by the American Board of Surgery. Dr. Sheppard received his medical degree from University of Virginia School of Medicine and completed his residency, NIH sponsored Trauma Research Fellowship and Trauma and Surgical Critical Care Fellowship at the University of Colorado Health Sciences Center. He is fellowship trained in Trauma and Surgical Critical Care. Clinically, he is particularly interested in traumatic hemorrhagic shock, resuscitation, coagulation and the inflammatory response to injury and illness.

In Dr. Sheppard’s spare time he enjoys fishing, the outdoors, sports and spending time with his wife and four sons.
