Employee Giving Starts Monday, May 15

Give early to wear your kiwi-colored 2017 OUR Place t-shirt every Friday during the campaign!

New this year - Every donor receives a button along with their tote bag or tee. Plus, if you choose, the first $25 of your donation can register you for a BBCH license plate.

MMC Re-verified as Level 1 Trauma Center

The American College of Surgeons’ Committee on Trauma has re-verified Maine Medical Center as a Level 1 Trauma Center, the only facility in Maine to be acknowledged at that level.

Level 1 is the highest designation for trauma centers, and achieving this re-verification means that MMC has voluntarily met criteria that set standards for providing excellent care to trauma patients. The verification will last through January 2020.

Brian W. Nolan, M.D., M.S., of Maine Medical Partners - Surgical Care, is the new division director for the Vascular Surgery/Vascular Services Program of Maine Medical Center.

Dr. Nolan comes to MMC from Dartmouth-Hitchcock Medical Center where he was an associate professor of surgery (Vascular Surgery Section) and a research assistant professor for the Dartmouth Institute of Health Policy and Clinical Practice where he earned a master’s degree.

He is a graduate of the University of Connecticut School of Medicine and completed a general surgery residency at the University of Massachusetts Medical School and a vascular surgery fellowship at Dartmouth-Hitchcock.

Board certified in general and vascular surgery, Dr. Nolan participates in the Vascular Surgery Group of New England. He also has penned more than 70 publications and abstracts.
May Anniversaries

40 Years
Diane Landeck, Cardiac Surgery
Joan Smaha, Corporate Compliance

35 Years
Margaret Mason, ED
Donna McGrew, Finance
Glen Roy, Nurse Coordinator

30 Years
