MMC R.N. Elizabeth Perry Recognized as 'Healthcare Hero'

Congratulations to P6 R.N. Elizabeth Perry (pictured at right), who was recently recognized as a Healthcare Hero by the wife of one of her patients.

The Healthcare Heroes program is an opportunity for Maine Medical Center patients and their families to recognize an employee who is special to them.

The employee receives a Healthcare Heroes pin and a certificate with the sentiment expressed by the nominator.

The wife of Elizabeth's patient wrote:

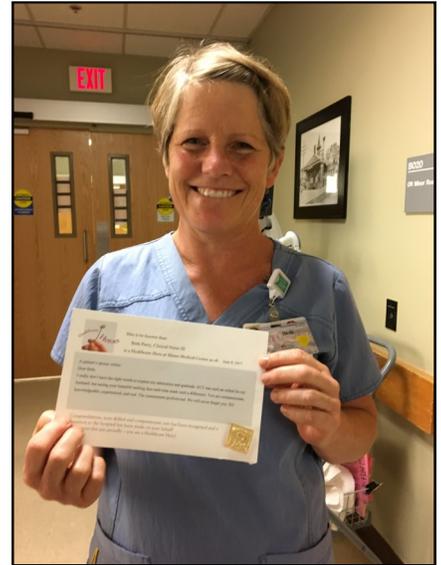

"I really don't have the right words to express my admiration and gratitude.

ECT was such an ordeal for my husband, but seeing

your beautiful smiling face each time made such a difference. You are compassionate, knowledgeable, experienced and real.

The consummate professional. We will never forget you. XO"

Thank you, Elizabeth, for living our values!
