Maine Medical Center presented 116 scholarships on August 18, supporting the continuing education of its current nurses and employees who aspire to be nurses in the future.

“We understand the importance of investing in our nurses’ continued learning and professional advancement. Since 1999, MMC has awarded more than $1 million in nursing education scholarships,” says Senior Vice President for Patient Care Services and Chief Nursing Officer Marge Wiggins.

This year marked the inaugural year for the John E. Heye Nursing Scholarship, named for MMC’s former chief financial officer and treasurer and senior vice president of finance from 1995 - 2014, who passed away last year. MMC Nurses Jennifer Dow, Julie Ontengco, and Robin Matthews each received a partial scholarship to pursue continuing nursing education coursework, which will ultimately influence the quality of care delivered and professional growth of the individuals.
People News

Johann Pall Ingimarsson, M.D., has joined Maine Medical Partners – Urology, in South Portland. Dr. Ingimarsson will work as an Endourologist. He most recently completed an Endourology Fellowship at Mayo Clinic, in Minnesota. Prior to this, Dr. Ingimarsson underwent residency at Dartmouth-Hitchcock Medical Center, and received his medical degree from the University of Iceland. His clinical interests include surgical and medical management of kidney stones, prostate enlargement and voiding dysfunctions. Dr. Ingimarsson is excited to be in Maine, and enjoy our wonderful opportunities for fishing and hiking.

Aline Iskandar, M.D., joined our Lewiston office. She specializes in comprehensive general cardiology care with a special interest in non-invasive cardiac imaging. Dr. Iskandar earned her medical degree from the University of Southern Denmark. She completed her internship in internal medicine, surgery, and family medicine and her residency in radiology at Odense University Hospital, Denmark. She completed a residency in internal medicine at the University of Connecticut Health Center and a cardiology fellowship at University of Massachusetts Memorial Medical Center. Outside of work, she enjoys traveling, outdoor activities, and playing piano with her children.

Scott Williams, M.D., has joined Maine Medical Partners—Westbrook Family Medicine. Dr. Williams received his medical degree from Tufts Medical School. His clinical interests include preventive medicine, chronic disease management and taking care of families of all ages. Outside of work, Dr. Williams enjoys spending time with his wife and two young kids exploring their new home in Maine.

Spencer Powers, M.D., has joined Maine Medical Partners—Hospital Medicine after completing his residency here at Maine Medical Center. He received his medical degree from Tufts Medical School. His clinical interests include quality improvement and patient safety. In his spare time, Dr. Powers enjoys hiking, traveling, and cooking.

United Way Food Drive
