WHAT'S HAPPENING

A newsletter for the Maine Medical Center family

Christmas in July at The Barbara Bush Children's Hospital

The summer heat didn't stop Santa and Dennis the Elf from visiting BBCH last week.

The yearly event, sponsored by Biddeford & Saco Savings Institution, gives kids a break during their hospital stay. The young patients and their families are treated to pizza, ice cream, and lots of presents.

Pictured: Nickles (left, mascot of Biddeford & Saco Savings Institution) and Dennis the Elf, right, hang out with BBCH patient Neveah.

PEOPLE NEWS

Michael Bohanske, M.D., has joined Maine Medical Center's Department of Emergency Medicine. Dr. Bohanske received his medical degree from Boston University School of Medicine. He completed his residency at University of Cincinnati Medical Center where he served as chief resident in the Department of Emergency Medicine. He also completed a fellowship in Emergency Medical Services in Cincinnati. His clinical interests include pre-

hospital medicine including 9-1-1 services, helicopter EMS, and search and rescue medicine. In his spare time he enjoys hiking, cycling, and craft brewing.

Annabelle Rae Chua Norwood, M.D., has joined Maine Medical Partners – Geriatric Medicine and will be the nursing home Medical Director for Norway Rehab in Norway and Market Square in South Paris.

Dr. Chua Norwood received her medical degree from University of Santo Tomas Faculty of Medicine and Surgery in Philippines. She completed her residency at UConn Health Center where she also just finished her Geriatrics fellowship. Dr. Chua Norwood's special interests include transitions of care, reducing polypharmacy, delirium, and healthy aging. In her spare time she enjoys traveling, scuba diving, hiking, music, singing, movies, and reading.

Christina Wilson, M.D., has joined Maine Medical Center's Department of Emergency Medicine. She received her medical degree from University of Virginia School of Medicine. She completed her residency at

Brigham and Women's/ Massachusetts General Hospital Harvard Affiliated Emergency Medicine Residency program and is fellowship trained in Emergency Ultrasound from Massachusetts General Hospital. Her clinical interests include emergency ultrasound, ultrasound education, and ultrasound in resource limited settings. In her spare time, Dr. Wilson enjoys playing music and dancing.
