

WHAT'S HAPPENING

A newsletter for the Maine Medical Center family

The Clinics are Changing Their Name, Not the Way They Practice Medicine

The MMP Outpatient Clinics have aligned with Maine Medical Partners effective September 1. The new name of the clinics is Maine Medical Partners - Outpatient Clinics.

As a member of MMP, the clinics will continue their long tradition of delivering patient centered care in an environment that supports our teaching mission for students, residents and fellows.

gram can be adapted by other providers in different settings across the country.

Participants will:

- Gain insight into critical factors that both challenge and contribute to the success of the program.

OUR Place Is On the Move

MMC employees Patty Watson, Rachel Smith, and Becky Allisot took a trip – and their OUR Place t-shirts – to York's Wild Animal Kingdom this August.

Send a photo of you and your OUR Place t-shirt in a far-off land or a nearby vacation spot to: enelson1@mmc.org.
