

# WHAT'S HAPPENING...

PUBLIC RELATIONS DEPARTMENT ■ MAINE MEDICAL CENTER ■ PORTLAND, MAINE 04102

January 10, 1972

## THE ICE FOLLIES

A bus trip to Boston for the Saturday matinee of the Ice Follies has been arranged for Feb. 19. Employees, relatives and friends are invited, with tickets for the package priced at \$10.50 each...first come, first served. The bus will accommodate 46. Information and tickets will be available at the P/R department, where reservations may be made by phone. All cash must be in by Monday, Feb. 7 to allow late sale of cancellations.

The bus will leave the Bramhall entrance at 10 a.m., returning from Boston after the show. No stops are scheduled.

## SPEAKING OF SHOWS...

The P/R department has a few tickets good for half the price of two \$5.50 or \$6 tickets to the Tuesday night performance of "Last of the Red Hot Lovers" at Portland City Hall. They're available...again on a first come, first served basis.

## STUDENT TOURS

Tours, scheduled on request of teachers and health career clubs, have been set up in the next few days for students from the Russell School, Gray; Kennebunkport Junior High and Freeport High. They'll visit several departments, and have a briefing by Personnel department representatives on educational requirements and opportunities.

## THE BULLETIN BOARDS

An effort was begun this week to spruce up the bulletin boards after some decisions affecting their use. First, the board in the corridor leading to the Irish Classrooms will be limited to educational items...schedules of classes, notices to students and the like. Second, items (not services) for sale by employees only may be advertised on the board near the Accounting department. Advertisements must be submitted for posting by the P/R department, which will date them, and leave them on the board for one week.

## TRENDS IN ANESTHESIA

That's the topic of an Inservice Education program scheduled by the Nursing Department this month. Scheduled Jan. 18, 19, and 20, the speakers will be John R. Lincoln, M.D., Chief, Anesthesia, and Sarah Lessard, R.N., head nurse, recovery room. Miss Terry Henderson, LPN, recovery room, will serve as chairman. These programs will be held in the Irish Classrooms.

## ANNUAL MEETING

Time and place have yet to be announced, but the date for the annual meeting of the Medical Services Federal Credit Union will be Jan. 26. Current officers are David Dunham, president; Stewart Kelley, vice president; Robert Pratt, treasurer; Eleanor Lowell, secretary. Directors are Robert Brainerd, Sylvia Martin, Lois Jackson and Jane Fournier.

## GENERATOR TESTS

Administrative Engineer Donald W. Bail has alerted department heads to plans for testing and running the emergency electrical generator for an hour on each of the next eight Sundays. He says the power interruption should be minimal, and that nurse supervisors will be notified. There also will be direct communication with Heart Cath, the Lab and Operating rooms.
