

WHAT'S HAPPENING...

PUBLIC RELATIONS DEPARTMENT ■ MAINE MEDICAL CENTER ■ PORTLAND, MAINE 04102

August 28, 1972

PURCHASING SERVICES

Henry W. Ingraham of Bridgton, materials manager at Central Maine General Hospital, Lewiston, has been appointed MMC director of purchasing services, and will assume his new duties Sept. 5. He will succeed Homer F. McDavitt, who has retired after 36 years as MMC purchasing agent and more than 43 years' total MMC service. Ingraham, a native of Portland, is a former administrator of Northern Cumberland Memorial Hospital, Bridgton, and has been with CMG since 1967.

RMP IN NEW LOCATION

Offices of Dr. Osher, RMP coronary project coordinator, and Richard B. McKenzie, RMP associate coordinator, have been moved from R6 to the third floor of the Rosenberger estate, to the left at the west end of the General Building corridor. Mr. McKenzie's phone is 2120 or 2129. Dr. Osher, 2234 and 2286.

KEENE COMPETITION

Mechanical Maintenance man Leon "Sunny" Freeman, coach of the Caldwell Post American Legion league team, was urging his players on at Keene, N.H., this weekend as they moved into contention for the New England championship. The Caldwell nine are State and District champs, and Sunny and his boys were cited last Monday night by the Portland City Council.

STAFF APPOINTMENTS

The following have been appointed to the MMC Medical Staff by action of the Board of Trustees: Bruce D. Nelson, M.D., Portland urologist; Goerge S. Abourjaily, M.D., South Portland general surgeon; and Martin J. Bell, M.D., Portland pediatric surgeon.

28 LPN'S TO GRADUATE

Diplomas will be presented to 28 members of the 18th graduating class of the Maine School of Practical Nursing Thursday evening in ceremonies at Deering High School. Elwood A. Padham, assistant commissioner, Bureau of Vocational and Adult Education, State of Maine, will deliver the graduation address. Others participating will include Philip K. Reiman, MMC executive director; Miss Agnes Flaherty, R.N., director of Nursing; and both the Rev. and Mrs. Karl Andersen...the former as a clergyman, and the latter as a vocal soloist.

THE "PEANUTS" CHARACTERS

Talented Kathleen Gano, daughter of Mrs. Carl Jackson, Pediatrics playlady, has just about finished the paintings of the "Peanuts" characters on the doors of the Children's Division. The idea is to help the young patients identify their rooms, and get back to their own after a session in the playroom or elsewhere. Kathleen, a former MMC unit clerk, is an economics major at the University of Vermont.

SKATING'S IN SEASON

On Thursday night--one of the season's hottest, thus far--several MMC people were seen in sweaters and mittens at an increasingly popular local establishment. It was the new Riverside Arena, and they were ice skating, and obviously enjoying the out-of-season opportunity. They included Barbara O'Leary, Irene Dempsey and Ann Lalime, all of the Pathology Laboratories; Robert MacAndrews, Hospital Engineering; Barbara Dyer, R.N., Nursing; and Marge Harris, P/R department. They're all members of the new Portland Skating Club.
